Specific conditions apply to the payment of certain benefits and to the reimbursement of certain fees.

<sup>1</sup>Unless it is medically required, if you purchase an original medication, the difference between the price of the original medication and that of the lowest-price of the generic medication will be excluded from the annual family maximum and will be entirely at your expense. If a biological medication is prescribed to you and a corresponding biosimilar medication exists, only the biosimilar version will be covered by MÉDIC Construction, subject to exceptions.
